New makeup chair offers style & comfort

31 January 2020

Nilo Spa Design has introduced the Musette Reclining Makeup Chair, as part of the Boheme Collection of salon furniture.

Inspired by classic design, the Musette chair is versatile and provides a comfortable space for clients with its ergonomic design, comprising both tradition and innovation.

The chair is rotating, and features an extended headrest, fitted with a safe locking system, reclining backrest, a footrest, and an adjustable Opera base.

Available in a wide range of colours, Nilo Spa Design's Musette Reclining Makeup Chair is padded in high comfort material and PU soft cover.
