WHAT'S NEW

Saving time is a big deal and **JOICO** Weekend Hair Dry Shampoo contains oil absorbing ingredients and volume boosters that deliver fussless to cut out the washing time and leave velvety-soft fresh and clean hair any day of the week.

The latest additions to **SCHWARZKOPF PROFESSIONAL's** Mad About Curls range it's the Superfood Mask and Leave-In Treatment. The specialist blend of Superfood Oils and the existing Mad About Aquarine Complex work together to deeply nourish and moisturize extremely dry curls, tame frizz, strengthen the hair structure, minimise hair breakage and improve definition and shine.

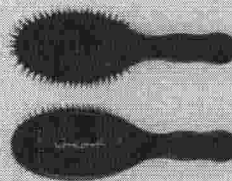

ANDIS COMPANY's iconic Master Clipper has gone cordless. The Master Cordless Li gives barbers and stylists the same high-speed cutting performance and precision of the original tool, but now with more power and the added flexibility of a cordless design.

MILK_SHAKE Curl Passion has a new and improved formula for fabulous curls. The shampoo, conditioner and leave-in treatment spray are all infused with Amazon Rainforest oils to give each curl softness and bouncy elasticity and banish frizz without weighing the hair down.

MALIBU C De-Ox is a new hair wellness remedy to stop oxidation of peroxide after colour and lightening services. It also normalises the PH and balances the porosity of the hair, making a safer service for clients and longer-lasting toning effects on the hair. It's also 100% vegan, cruelty free and formulated without gluten, parabens, sulfate surfactants, preservatives and fragrances.

GREAT LENGTHS has launched a range of high performance bristle brushes with a slick and sophisticated black shine finish. The large paddle brush, medium oval brush and finishing brush are made with natural rubber cushions and pure boar bristle pins, perfect for brushing hair extensions for a tangle free, soft and shiny finish.

R+CO has introduced three unique, easy-to-use professional Concentrates to protect and preserve colour, thicken and add volume, and hydrate and repair hair. These five minute miracles are the ideal follow-up and add on serviced to perfect your clients look and meet their needs in no time.

OSMO has launched Deep Moisture and Super Silver sachets of their best sellers. The new sachets are the perfect size for customers looking to try before they buy, regular travellers looking to lighten their case, or salons providing complimentary gifts to loyal customers.

Part of **MALETTI's** Madam collection, the Twigg Styling Chair has a rotary styling chair structure in moulded expanded polyurethane with metal insert. It's been created for today's contemporary salon and creates the feeling of an informal lounge where clients can relax in a welcoming environment furnished in style.
