ESTABLISHED
 SALON LIFE

Authentic Beauty Concept has launched a high performing, vegan, multi-tasking oil. Indulging Fluid Oil has been created to suit all hair types with a number of benefits including smoothing frizz, sealing split ends and adding a high gloss finish. It also comes in a 100% recyclable glass bottle and folding packaging.
www.rdr/linkHM054

Organic Colour Systems Activated Charcoal Shampoo is a gentle exfoliator that draws out and absorbs excess oils, dirt, toxins and unpleasant smells from the hair and scalp. For use before any service apart from perming, the new shampoo will work in conjunction with the System to prepare hair for colouring.
